

EDUCATIONAL SERVICES
Annual Perkins Advisory Committee Meeting
 Monday April 18th, 2016
 Morgan Hill Unified School District Office
 15600 Concord Circle, Morgan Hill
 3:30-5:00 p.m.

Today's Purpose:

- Provide background information in regards to the Perkins grant
- Seek input for the 2014-15 Perkins Grant application

“Today's Career and Technical Education is not your mother's old manual labor vocational education track. CTE careers that used to require little education have now evolved into very technical professions that require mastery of higher level skills and the capacity for critical thinking and problem solving.”

**Sue Windels, Chairman, Colorado
 Senate Education Committee**
