Menu Path: Scheduling Center > Master Schedule > Master Schedule

Use this page to add or change a course-section in the Master Schedule. You can set up two different types of course-sections: regular, which include one or more sessions, and blocks, which allow you to schedule students together in a group of course-sections (blockettes).

eSchoolPLUS Student Scheduling Overview – Maintenance Screens

Student Schedule Entry screen:

The screenshot shows the 'Student Schedule' entry screen for Melody Lee Brookheimer. At the top, the student's name is displayed in red. Below it, the student ID (13012), building (High School 13), and grade (12) are shown. There are buttons for 'Search', 'List', 'Fill Study Halls', and 'Printable'. The student's house/team is 'P - Purple Team' and their status is 'A - Active'. The counselor is '13EN30 - Evans K'. The main section is titled 'Student Schedule' and includes buttons for 'New', 'Quick Add', 'Lock', 'Unlock', and 'Clear'. Below this is a table with columns for 'Select', 'Period', 'Course-Section', 'Teacher', 'Room', 'Status', 'Cycles' (M, T, W, R, F), and 'Marking Periods' (M1, M2, M3, M4, R1, R2, R3). The table lists seven courses: Physics, Ceramics, Study Skills (two sections), American Government, English 4, and Calculus. At the bottom, there are 'Display Settings' for 'Show Dropped Courses' and 'Show Marking Periods', and another set of 'Search', 'List', 'Fill Study Halls', and 'Printable' buttons.

Menu Path: Student Center > Search for a student > Scheduling > Entry

Use this page to view, add, or update scheduled or modeled courses for a student. The options available depend on the type of schedule displayed, as indicated by the heading below the top section:

- Modeled Student Schedule - if you make changes to a schedule, such as adding new courses, dropping courses, or updating information, the schedule is considered modeled until you click **Keep**. This allows you to make changes, but go back to the original schedule if needed.
- Student Schedule - the actual schedule that the student will follow.
