**WELCOME**

Morgan Hill is a city of just over 37,000 residents, located at the southern end of the Santa Clara Valley, 10 miles south of San Jose and 70 miles south of San Francisco. Positioned on the southern extreme of the Silicon Valley, Morgan Hill is an important edge community with the potential for providing ancillary services to major firms in the heart of the Silicon Valley, San Francisco Peninsula and East Bay regions. Morgan Hill prides itself on being a family community located in an area with beautiful hillsides surrounding a valley providing a peaceful atmosphere and a superior quality of life. With the addition of the City's new Community Center and Playhouse, Aquatic Center, Sports Complex, indoor Recreation Center and library, children and adults alike are drawn in to the community as a whole.

The Morgan Hill Unified School District encompasses nearly 300 square miles and serves the ethnically diverse population of Morgan Hill, San Martin, portions of San Jose, and unincorporated areas of the county. We are comprised of 15 schools: nine elementary, two middle, two high school, a continuation high school, and a community adult school as well as a Home Schooling Program. Our multi-ethnic population includes over 9000 students and 1000 employees. The Board of Education continues to place a high priority on informing our community at large about our schools. It is our responsibility to serve the community by providing a quality education for all students.

We want you to be aware of what is happening for students in our district and we welcome your involvement. We hope that this web site is informative and helpful. Together we will continue to strive for excellence in educational opportunities and achievement for all of our students.
