Summary of the most common guidelines:

- New employees must enroll within two weeks of the first day worked
- Proof of eligibility will be required when enrolling dependents (SS card, birth/marriage certificate, etc.)
- No Open Enrollment on page 1 means that those plans are only offered at the time of hire/qualifying event
- Unless there is a qualifying event, additions and changes are done only during Open Enrollment and proof of the qualifying event must be submitted within 30 days of the qualifying event occurrence
- Health benefits are deducted from paychecks one month in advance
- Fringe benefits are deducted from paychecks in arrears (i.e. same month deduction)
- For ratings of health plans and medical groups, visit opa.ca.gov (Office of the Patient Advocate)

This summary is not meant to be an all-inclusive list of the guidelines for employees. It is a summary for your convenience. Additional guidelines and policies are described in the Employee Benefits Handbook and other HR documents.
