District Required Assessments, All Schools			
ssion ends Sept 23 Winter Session ends March 10, 2017* Spring on ends June 9, 2017 Summer Session ends July * * second and fourth sessions are mandatory benchmark administrations...first and third are optional	3 - 10	NWEA MAP test	<i>Note: Students can test anytime; however, the test scores will be harvested and uploaded to Aeries and School city when each window closes....this will also update individual plans on Study Island. Teachers can always access the student's most recent score on the MAP site. If a test is given twice in any window, the second test will overwrite the first. The map must be given at least twice to have a growth measure within the year. However it may be given up to 4 times for official scores.</i>
	5 & 8	NWEA MAP Science Test--Optional pilot	
	K-2	NWEA MPG test--optional for pilot schools	<i>May use as pre-screen for F & P assessment and as one measure to help inform TK/K placement</i>
	11-12	NWEA MAP test-optional for pilot schools	
As needed by arrangement to inform SST teams, System 44 and R-180 placement	3 - 8 Below grade level	Reading Inventory (RI)	<i>Administer to students performing 2 or more years below grade level in reading as indicated on the MAP assessment.</i>
As needed by arrangement to inform SST teams, M-180 placement	6-8 Below grade level	Math Inventory (MI)	<i>Administer to students performing 2 or more years below grade level in math as indicated on the MAP assessment for 4th - 9th grade students.</i>

Complete initial screening of all students by September 16. Complete mid year screening by _____ and end of year by _____	K-2	Fountas and Pinnell Reading Assessment	<i>Administer to all students to establish a baseline score and upload scores to the SIS. If the end of year score from the previous year is available in Aeries, this may be used as the baseline for the new year. Students at or above grade level students need only be tested one additional time during the year, or the RI lexile scores may be used at site and teacher discretion to save time. Students below level, should be assessed three times during the year using F&P in addition to the baseline. Deadlines for those test administration are pending site administration input. Please share any input with your site administrator to bring forward regarding this plan as it develops.</i>
	3-5 Below grade level	Fountas and Pinnell Reading Assessment Optional diagnostic for students below grade level.	<i>Use MAP or RI as a prescreen to determine order of assessment; begin with students farthest behind. Enter scores into student information system.</i>
One month prior to CAASPP	3-8, 11	State Interim Assessment	<i>Administer least one State interim assessment block for the purpose of rehearsing CAASPP function and ensuring that student accommodations are accurate.</i>
Last Week of Sept/First Week of October	5, 7, 9, 11	Project Cornerstone Developmental Asset Survey or other locally created school climate survey to meet the State local metric requirements once developed.	<i>Online survey used to generate and collect school climate data. Parent permission is active or "opt in" at 5th grade and passive or "opt out" at 7, 9 and 11. School participation is mandatory; individual student participation is optional, based on parent preference.</i>
