My teachers are there for me when I need them.

Adults at my school listen to the students.

Students at my school are there for me when I need them.

Most of what is important to know you learn in school.

Going to school after high school is important.

Most teachers at my school are interested in me as a person, not just as a student.

When I do schoolwork I check to see whether I understand what I'm doing.

I plan to continue my education following high school.

School is important for achieving my future goals.

When I have problems at school my

family/guardian(s) are willing to help me.

Strongly Disagree      Disagree      In the Middle      Agree      Strongly Agree

Overall, adults at my school treat students fairly.

I enjoy talking to the teachers here.

I have some friends at school

The tests in my classes do a good job of measuring what I'm able to do.

I feel like I have a say about what happens to me at school.

I am hopeful about my future.

I'll learn, but only if my family/guardian(s) give me a reward.

What I'm learning in my classes will be important in my future.

I enjoy talking to the students here.

When I do well in school it's because I work hard.
