### 2018-19 New Student Registration Information for TK-5 and TK-8 Schools

We are very pleased to welcome you to the Morgan Hill Unified School District (MHUSD). This registration packet includes information needed to enroll your student at his/her school of residence for the 2018-19 school year. This includes all new students enrolling in the TK-5 and TK-8 schools.

New student registration for the 2018-19 school year begins Thursday, December 7, 2017 at 8:00 am. Beginning November 15, 2017, registration packets may be picked up at any elementary school, the Enrollment Center at the District Office, or downloaded from the MHUSD website at <http://mhusd.org/educational-services/enrollment-center/>. Completed applications must be **returned to your school of residence for processing**. To help determine your child's school of residence, use the "Find Your School" link on the home page of the MHUSD website at [www.mhusd.org](http://www.mhusd.org). **All enrollment documents must be completed before your child is considered registered.**

Enrollment at your school of residence is on a first come, first served basis. Students currently enrolled in the District do not have to re-enroll. Every attempt will be made to place new students at their school of residence. However, **the District cannot guarantee such placement and reserves the right to place new students at other schools within the Morgan Hill Unified School District as necessary when a grade-level enrollment capacity is reached.** (Note that some schools are currently full at certain grade levels. New students will be placed at other schools as needed and added to a waiting list. Students must be enrolled in MHUSD to stay active on this waiting list.) Any student placed involuntarily at a school other than their school of residence will be placed on a waiting list in priority order by **date and time** of initial registration and will be given the option to return to their school as space becomes available. Changes in school placement due to being wait-listed may occur up to one month after school begins.

Note that classroom placements will be made at the school site. Your child's classroom assignment will be posted at the office of your assigned school on the Friday before school begins.

**Your registration is complete when the following documents are returned to your school of residence:**

Take this form to your provider to complete and return to your child's school.
